"40 Days for Life in Waco saved my baby!"

"Hi my name is Rose. Wednesday my baby and I were saved from an abortion outside of the Planned Parenthood in Waco. When I got there and was dropped off by my sister from Killeen, I saw people standing and praying. When I got inside the abortion clinic the security guard asked me why I didn't go out and cuss the people out"

I was told I had to pay for an ultrasound and I didn't have any money because I was beat up by my father in Florida for getting pregnant and sent to my sister in Killeen to 'take care of it.' I started crying and walked outside and that's when a man on the sidewalk asked me to come talk to him and to pray. He was so nice and introduced me to a nurse from Care Net. I didn't have a ride and the nurse offered to take me to Care Net to get an ultrasound and to talk about my decision."

"When they did my ultrasound my baby was dancing! I knew when I saw it what I was going to name it and I was not going to have an abortion. It was like my baby was so happy. They told me they had built a house just for me, and took me to see it. I couldn't stop laughing and crying all at the same time. I was afraid my sister would be mad because I didn't get the abortion but she is happy since I found Care Net. There's no place in the world like this! I am so happy that I get to have my baby and build a life for us. Thank you to the people on the sidewalk in the 40 Days for Life shirts and signs. You saved my baby!"
