

Roe Decision Day RALLY IN WACO

Sponsored by Pro-Life Waco

May or June **??**, 2022

4 PM at

**Planned Parenthood Waco
Public Right-of-Way @ 700 W HWY**

Ample park in lot behind Planned Parenthood or street parking.

Central Texas defenders of pre-born babies and moms will gather to applaud the Supreme Court decision. The decision will be an important—but still limited—victory for life and love. We pray the shedding of innocent blood, that began in Waco in 1994, will become a closed chapter in the Waco's history. The Central Texas ministries working to make abortion unthinkable will continue with unwavering dedication.
