Stand Up for Women and Babies!

Sue Thayer is lead speaker.

Sue Thayer managed a Planned Parenthood clinic in Iowa for 17 years. She was fired when she balked at introducing abortions to her clinic. Sue responded by leading a **40 Days for Life** prayer vigil at the very clinic she managed. This vigil brought the closing of the clinic's doors forever!

Love both!

Choose life!

The urgency of this Rally is that Planned Parenthood resumed abortions in Waco shortly after Easter. God hates the shedding of innocent blood. Christians are called to respond. Come to the Rally to (1) learn, (2) have your heart touched and (3) find out about ways you can be involved.

Learn about new initiatives to uphold the Gospel of Life. This will include a **40 Days for Life** prayer vigil, a movement that started in Bryan, TX in 2004 and was central to Sue Thayer's conversion. **40 Days for Life** prayer vigils have expanded to over 700 cities in more than 30 countries.
